On the beautiful LSU Campus...

3848 West Lakeshore Drive

Baton Rouge, LA 70808

ATTEND THIS 19TH ANNUAL SPRING TECHNICAL CONFERENCE

Sponsorship Opportunities

LWEA 2011 Technical Conference

Your sponsorship of the 2011 LWEA Technical Conference shows others that you are committed to educational initiatives that are vital to the preservation and protecting of the water environment and environmental health of Louisiana, our nation, and the globe. Our 2011 program will cover topics of interest to engineers, scientists, policy makers, and operators. New in 2011 is our Inaugural Operations Challenge Event. Operators from around the state will have the opportunity to participate in wastewater treatment related events. All sponsorship will support the educational efforts of this conference; sponsors can choose to receive recognition of their sponsorship in either Technical Sessions or in the Operations Challenge.

This conference also provides your company with great business opportunities, as we are expecting water quality professionals and decision makers from across the State and the Gulf South Region to attend this Conference. If you are interested in sponsoring this great event but cannot find the right option listed below, please feel free to contact Cynthia Wagener via e-mail at Cynthia_Wagener@urscorp.com or 225.935.2939 for assistance.

Platinum Level		\$1,500
Sponsor's name and logo will be prominently displayed on all LWEA/ Conference marketing materials and entrances, and Operations Challenge Areas. Sponsorship at this level includes verbal acknowledgement at the events' openings and two free, full registrations for the conference (includes crawfish boil). Platinum sponsors will also be given the opportunity to provide a full feature article for publication in the "The Crock" (article written by Sponsor and provided to LWEA; LWEA reserves the right to edit).		
Gold Level	Sponsor's name and logo will be listed on signs that will be prominently displayed in either (1) the General Assembly Area during the Crawfish Boil, all Networking Breaks, or (2) the Operations Challenge Areas and at Operations Awards. Sponsor will receive verbal acknowledgement at either plenary session or Operations Challenge Awards. Also includes full 2 Conference Registrations.	\$1000
Silver Level	Sponsor's name and logo will be listed on signs that will be prominently displayed at the Conference Entrance and in either: (1) a Technical Session Room for 1 session, or (2) at one Operations Challenge Event. Also includes 1 Conference Registration.	\$750
Bronze Level	Sponsor's name and logo will be listed on signs that will be prominently displayed at the Conference Entrance. Also includes 1 Conference Registration.	\$500
Equipment/ Materials	Contact Cynthia Wagener if you can provide LWEA with equipment, materials, or other support that we can utilize for the conference or Operations Challenge.	varies

Sponsors are encouraged to submit nominations for session moderators and abstracts
